

2R November News

I can't believe it is already November. The students have settled in and we are well on our way to a great year of learning! Here are just a few things to inform you of this month.

Book Orders

I will not be sending home a book order this month because we will be having our annual book fair during Parent- Teacher Interviews.

Remembrance Day

Our Remembrance Day celebration is on Tuesday, November 10th at 9:30 in the gym. Parents are welcome to join us for this celebration. Peace is one of our themes this month and we will be covering it in Language Learning and Religion. There will be no school on November 11th, 12th and 13th. Enjoy the fall break!

Social Studies Project

In Social Studies the students are learning about the land in Meteghan, Iqaluit and Saskatoon. The students will be building a diorama based on one of those communities. I need each child to **bring an empty shoe box** that we will decorate. **Please donate any small items that would be good for building such as: tooth picks, sugar cubes, cotton balls, small people, animals and trees, etc.** I will need these items no later than Monday, November 16th as we will start building the dioramas on that day.

Term One Report Cards

Report cards will be sent home on Monday, November 23rd. I look forward to meeting with you at parent- teacher interviews November 25 and 26. A note has been recently sent home where you will need to book your interview time.

Tests

I will be sending a science and math test home. Please have your child do their corrections. I would like a parent signature on the tests and please return them to school as soon as possible.

Home Reading

The students are really excited to hand in their bookworms and receive their reading prizes. I encourage students to continue to complete at least one bookworm per month. It is nice to see the children so enthusiastic about reading. I attached a list of questions that you could ask your child when reading at home to help build their comprehension skills.

Star Students

Please look at the attached calendar to see if you child's star student week is in November. Parents need to send in 5-10 photos which will be displayed with your child's poster. Your child also needs to bring in a show and share for each day.

Parent Volunteers

If you are interested in volunteering in our classroom there is a sign-up calendar posted outside of our classroom. If you are unavailable to make it into the school, please write the dates that you are interested

in helping out in your child's agenda. A huge thanks you to all the parents that came to help on Halloween!

If you have any questions or concerns please contact me at the school. Have a great month of November. Thank you for your support!

Yours in Teaching,

Trisha Rudiger
