Welcome back to our newsletter. I expect November to fly by with our mini holiday and before we realize it advent season will be here. We are currently busy testing and preparing for report card season. It looks to be a challenging month!

Notes: Our photocopier is up and running but in an attempt to go green we are using our individual whiteboards for many activities in class. If you have extra white board markers to donate it would be appreciated.

Buddy Classis has kicked off to a great start. We are have been paired with 1PoI our swimming buddies. We enjoyed working on the Coin Carnival together and now we are working in p.e. on gymnastic skills. Up next: reading buddies!

Home Reading Logs are going very well! Our reading wall is growing full of reading worms! Code Word: poppy Please continue to fill in daily with at least 15min of reading and return to school on **Thursdays.**

Special Congratulations to...

Carmen for having perfect attendance!
Justin for being such a wonderful helping hand!
