- Oct 12 Monday *Thanksgiving, no school
- Oct 30 Friday *Halloween Coin **Carnival**

Welcome back to our newsletter. Wow, what a month! In a quick wink September is gone and we are off into grade 3. It has been a great start and I look forward to a very successful year of learning. Each month we will have a quick newsletter sent home with important dates and other information. Please encourage your child to use his/her detective skills to find the hidden code word in our newsletter.

Notes: Our photocopier has been done for most of the month and as a result we have had a few issues. Here in 3P we have done a wonderful set of hands on learning activities in all subject areas, however we have not continued with spelling units as per usual. Spelling units will be copied soon and resumed as usual for the remainder of the school year.

Homework in grade 3 is, at times, expected. All homework listed in your child's agenda is **due the next day** unless it specifically says otherwise. There are a few home assignments throughout the year such as building bridges, novel studies and art projects. However, there is no additional homework for the sake of homework unless requested from home. If your child has some work that was not finished in the time allotted at school, this work will be homework. Usually this occurs when social time interrupts learning. If this is a concern for you please let me know. We will have a very important homework policy designed to help student become more responsible and accountable for their learning. Code word: Batter Up! It is an excellent opportunity for your child to feel success if they receive the proper level of support from home and school.

Home Reading Logs are off to a great start! Please continue to fill in daily with at least 15min of reading and return to school on **Thursdays**.
