

December 2nd, 2011

Dear Parents,

Thanks to all of you for coming to our parent-teacher interviews last month. It was great to see all of you. Once again, thank-you for all your hardwork with your child(ren). The students are progressing well in their reading and spelling programs.

We have a few fun activities planned for the month of December. Please see the calendar and watch for more information coming about our Senses Day (we'll need approx. 5 volunteers for that day) and our Christmas Craft Day (we'll need 1 or 2 volunteers for that day).

Please note this year there will be no Christmas concert for grades one and two, however we look forward to a fun spring concert in the new year.

Wishing you a wonderful December month as you and your family prepare for Christmas.

Sincerely,

Carmen Markowski
