

# Welcome to February

## Theme's: Love, Family, Friends

### From the desk of Mrs. Wujcik

Well, we have all survived another January winter in Alberta! It was probably one of the most mild that I can recall, except for that extreme week of cold! Our focus this month will be on learning about families, and reflecting on how to be a good friend. Since Lent begins on February 22<sup>nd</sup> we will be trying really hard to work on being kind to others and building our classroom community.

We will continue to practice our letters and sounds and connect this to both emergent reading and writing skills. I am very proud of my little kindies. They love to share their home reading books and letters to Chester with me! Thank-you for your awesome parenting!

We will be having some Valentine fun on Monday, Feb. 13<sup>th</sup>.) we will be having our group snack at 1:30p.m. If you would like to come in at any time to help with some of our Valentine jobs, please feel free! Our friendship tea will be in the morning from 9:30 until 10:25. You are most welcome to join us for this event as well!

We will be having our own little winter games celebration in the school yard on the afternoon of Wednesday, February 8<sup>th</sup>. You are welcome to join us for this event as well.

Valentine wishes to you and yours! Have an excellent February!
