Dear Parents,

Happy New Year! I hope everyone had a great holiday. I would like to thank everyone for the gifts, Christmas cards, goodies, and good wishes. A big thank you also to the parents that helped with our Christmas craft day. We could not run these days without you!!

This month the children will be learning about Winter, Hot and Cold Temperatures, and continuing the study of the 3 communities in Canada. If you have any books, games, pictures, posters or other information about these topics please send them in with your child for sharing.

Skating - We are scheduled to go skating on Wed., Jan. 18 and Wed. Jan. 25. We will skate from 9:45 to 10:30 on both days. Thanks in advance to those parents that are able to come and tie skates. **HELMETS are mandatory.**

Bookworms - Please try to get back into the routine of having your child read every evening. Also they should be exchanging their books on a regular basis. **The children should be able to hand in at least 1 bookworm per month.** Keep up the Great Work!! Read! Read!

Sincerely,
Sharon Machin
